Go Active Terms and Conditions

Our Go Active activities are great fun for all the family to enjoy together.

Some activities are very popular and get booked up very quickly, so to avoid disappointment, please book your activities as far in advance as possible.

How to Book Your Go Active Activities

All activities must be pre-booked and paid for in advance. Your place isn't confirmed without payment. Please retain your receipt as proof of payment as it may be checked by your activity instructor. You can book activities by calling our Go Active Team on 01726 860415, speaking to a member of staff, emailing GoActive@Piranmeadows.co.uk or send a DM via Facebook 'Go Active at Piran Meadows'. Please be aware that sessions must be booked a minimum of 60 minutes before the due start time, or the day before for 9am sessions. **All bookings are non-refundable or transferable.**

Do you need any help choosing your activities?

Please come and see us if you would like any more information about the individual activities. Our fully trained and qualified Go Active Instructors are here to help you get the most fun from your activity. Please note some sessions are weather dependant or may have a minimum participant requirement in order to run. If the weather lets us down, or there aren't enough booked on, all booked participants will be contacted at least 30 minutes before the start of the session, and transferred to another session or offered a full refund.

Children remain the responsibility of their parent/guardian for the duration of the activity sessions.

Arriving for your activity session

So that we can ensure you get the maximum benefit from your activity, please ensure that you arrive at your Go Active meeting place on time. Should you arrive late you may not be admitted but will still be charged.

Our Rules and Regulations for Health & Safety and Insurance reasons

If you or your child suffers from any illness, or medical condition, or are currently taking medication, please consult your doctor before taking part in activity sessions.
