Monday 10th November to Sunday 7th December 2025

main pool - relaxation room - baby pool

Our swimming pool is open every day for all the family to enjoy.

Do you need to book Swimming Sessions?

No, during off peak times there's no need to pre-book your general swim sessions. Locals visiting us using Day Passes are advised to call ahead before arriving on the day, as Day Passes will be limited when the resort is busy.

Do you need to pay to swim?

All general swim sessions are included in your holiday if you're staying on resort, and included in your monthly leisure membership. Local visitors will need to purchase a Day Pass on the day of their visit. Lockers use £1 coins to operate. GO Active sessions, such as the Pool Party and Water Walkerz incur additional costs.

Are there any times during the day you can't go for a swim?

The only times during the day that the pool is closed to general swimming is when there is a GO Active session taking place. These are highlighted in an orange box on the swimming pool timetables. The rest of the day is available for general swimming.

How do you book activity sessions?

All our GO Active sessions require pre-booking at least an hour in advance. You can book your sessions by speaking to a Lifeguard or Activity Instructor, calling 01726 860415 between 09.00am and 5.00pm, sending the team a DM via Facebook Messenger 'Go Active at Piran Meadows' or asking at reception.

When is Adult Only Swim 16+?

Adult only swimming is available every weekday morning, 9.00am to 9.30am. We limit the number of bathers for this session to 25 so you'll all have that extra space to enjoy your morning swim.

What happens during swimming lessons?

We have independent swimming teachers and swim schools using our pool most days. During morning swim school sessions, half of the pool is open for general swimming, and the other half is used by the swim school. Our independent teachers often conduct their lessons round the edges of the pool during our general swim sessions. Ask a member of staff if you're looking for swimming lessons, we'll be happy to put you in touch with a teacher or swim school.

When is the Relax Room with the sauna and steam room open?

The Relax Room's opening hours are the same as the swimming pool. The Relax Room will remain open during lunchtime GO Active sessions when the main pool and baby pool are closed, but will be switched off when the last general swimming session of the day ends, and won't remain open during evening GO Active sessions. You don't need to book to use the Relax Room.
