leaving your holiday home

We know - nobody wants their holiday to end! However, when the time does come to leave us at Thanet Well, we respectfully ask that you leave your holiday home as you found it, so that other visitors can enjoy the same cosy comforts that you have.

We politely ask our lovely visitors to leave their accommodation by 10am on their day of departure, as this allows us to get everything spick and span for our next guests. Thank you for your understanding in this matter (it really helps us out!).

When you leave your holiday home, please return your keys to reception. There's a key drop-box available outside the main reception if you're leaving outside of hours. We'll look forward to having you back again soon!

rubbish disposal

We love our planet, and we know you do too. That's why our resort operates a recycling system, to make sure we can keep our resorts clean and green.

You'll find a general waste bin in your accommodation, and your nearest bin bay for recycling can be located on your retreat map. If there are no bins in your nearest bay, please bear with us - they're probably being emptied, so please use another one. Glass bins can be used for all types of glass bottles and jars (please remove lids before you pop them in). Cardboard, paper, plastic, tin cans and aluminium trays can be disposed of in the mixed recycling (please be careful to not put black bin bags or any other plastic bags in the mixed recycling).

Any other waste that you might have can be disposed of in the general waste bin. **Thank you for working with us to keep our world happy and healthy!**

You must fully extinguish disposable BBQs and allow to cool before discarding. BBQs must not be placed in the refuse bins but stored within the bin bay area.

general household waste

non-recyclable packaging, food waste, floor sweepings etc.

dry mixed recycling

cardboard, plastics, paper, tin cans, bottles, jars etc.

HEY THERE!

Please make sure all recycling is clean and dry to avoid contamination.

hot tub safety

etiquette

our guide to hot tub safety

In our Premier accommodation we are delighted to provide our guests with hot tubs for that ultimate holiday feeling. We ask that all guests follow the instructions and guidance in place for your safety.

Please ensure to read these carefully before using the hot tub and if you have any questions please contact a member of our friendly team!

Please note, Darwin Escapes will not be responsible for any injury or issues resulting from misuse or not following these instructions.

do not sit or stand on the hot tub lid!

hot tub lid

1 Ensure two people lift up the lid using the handles provided. Lifting from one side can lead to lid damage.

2 Fold one side onto the other - like closing a book, then fold both sections together and to the side. Do not fold the lid over the balustrade rail, this may blow or fall shut.

3 Some tubs require the lids to be secured, please use any balustrade straps or chains provided. Remember to release these prior to closing.

Raised lids (even when secured) are vulnerable to damage in strong winds which may lead to injury. Guests are advised to use with caution and close and clip down where conditions dictate.

If you have any questions or require assistance then please speak to a member of the team or reception.

hot tub safety

- Do not use the hot tub if you are pregnant or have a medical condition (High blood pressure, heart condition, diabetes etc) or serious illness which may affect your reaction to heat. Check with your doctor first.
- Children under the age of 8 cannot use the hot tub. Young children struggle to regulate their core temperature and become dehydrated more quickly.
- Children aged 8-16 must be supervised and accompanied by an adult.
- Do not use the hot tub if you feel unwell or are sensitive to chlorine or bromine.
- Keep your usage to 15 minutes at a time and take a break between sessions.
- Do not use after a large meal within the previous hour or after the consumption of alcohol.
- The following are strictly prohibited in or around the hot tub: Glass containers, electrical appliances, smoking, consumption of food and drink, use after 9am on the day of check out.
- Keep your head above water – chlorine or bromine can irritate eyes and sensitive skin.
- We do not recommend using the hot tub if you are on your own.

using the hot tub

- Please act sensibly and be courteous to other guests around you. Do not use the hot tub after 11pm.
- Remove any jewellery as the chemicals can damage metals and precious stones.
- Do not attempt to change any settings or the temperature (with the exception of use/ selection of jets). – if you need assistance please ask a member of the team.
- Do not use after 9am on the day of your check-out as we will need to drain, replace and treat the water for the next guests.
- Keep to the hot tub capacity i.e. the number of seats.

water quality

- For your safety, we will carry out short tests on your hot tub each day of your stay – to complete these, the team will need to briefly gain access to your hot tub.
- Please shower prior to use and do not add oils, bubble bath or any other products. Residual or added products affect water conditions and impact the effectiveness of the disinfectant agent.
- Chlorine or bromine dispenses in to the hot tub from either a floating 'mushroom' or built in dispenser. Please do not interfere with or open these dispensers and, in the case of the mushroom, please do not move it from where you find it.
- Thank you for your cooperation with these testing and treatment measures, in place for your safety and comfort.

a closer look at the **country code**

Many of our resorts are set in the heart of local countryside, including woodland and farming land, which can have farm animals kept in pastures.

Please follow the country code, and help us keep our nation's countryside running smoothly.

1 Please be mindful and respect the needs of local people and visitors alike - for example, **don't block gateways, driveways or other paths with your vehicle.**

2 When riding a bike or driving a vehicle, **please slow down or even stop for horses, walkers and farm animals** and give them plenty of room. By law, cyclists must give way to walkers and horse-riders on bridleways, so please keep this in mind when you're out cycling!

3 Please cooperate with people at work in the countryside. For example, keep out of the way when farm animals are being gathered or moved and follow directions from the farmer.

4 A farmer will normally close gates to keep farm animals in but may sometimes leave them open so the animals can reach food and water. The most important thing to remember is to leave gates as you find them or follow instructions on signs. When in a group, make sure the last person knows how to leave the gates.

Ticks love to live in the countryside too, please check your four legged friends and yourself after your ramble for any unwanted hitch-hikers.

5 Please follow paths unless wider access is available, such as on open country or registered common land (known as 'open access land'). It might sound obvious, but please ensure that you leave machinery and farm animals alone - don't interfere with animals even if you think they're in distress. Try to alert the farmer instead.

6 When strolling through our beautiful countryside, please use stiles or gaps in field boundaries if you can - climbing over walls, hedges and fences can damage them and increase the risk of farm animals escaping.

7 We all have a responsibility to protect the countryside now and for future generations, so make sure you don't harm animals, birds, plants or trees and try to **leave no trace of your visit**. If you're out exploring with a dog, please make sure it is not a danger or nuisance to farm animals, horses, wildlife or other people.

8 Protecting the natural environment means taking special care not to damage, destroy or remove features such as flowers, rocks, plants and trees. They provide homes and food for wildlife, and add to everybody's enjoyment of the countryside.

9 Litter and leftover food doesn't just spoil the beauty of the countryside, it can be dangerous to wildlife and farm animals - so **please always take your litter home with you**. Dropping litter and dumping rubbish are criminal offences.

10 Fires can be as devastating to wildlife and habitats as they are to people and property - so be careful with naked flames and cigarettes at any time of the year and never leave anything of that nature behind when you leave.

11 We know that you **love** your dog - but local wildlife might not! When you take your dog into the outdoors, always ensure it does not disturb wildlife, farm animals, horses or other people. Please keep your furry friend under effective control: **keep your dog on a lead, or keep it in sight at all times**, be aware of what it's doing and be confident it will return to you promptly on command. Please ensure it does not stray off the path or into an area where you do not have a right of access.

Enjoy the countryside and **love your escape**

the enchanting Cumbria

Countryside

*for the
adventure
seekers*

Thanet Well Lodge Retreat, nestled in beautiful and breathtaking Cumbria, is the ideal base from which you can explore all that the surrounding area has to offer.

From hidden gems to hugely popular tourist attractions, every day of the year can be a different adventure, thanks to Cumbria's rich history, majestic mountains, rolling countryside and fun family days out.

The Rheged Centre

Cunningly disguised as a Lakeland hill, Rheged is a unique grass-covered family visitor attraction. There is an ever-changing events calendar together with an IMAX cinema, mountaineering, cooking and wildlife exhibitions, restaurant and studio shops.

17 minutes away

Ullswater & Aira Force

England's second largest lake snakes for over nine miles and is often rated as the most beautiful of all. Countless sailing boats, kayaks and windsurfers pass alongside steamboats, which have been plying Ullswater since 1849. Traditional 'steamers' connect Pooley Bridge in the north with Glenridding in the south, stopping off at Aira Force on the northern shore and Howton on the south side.

 CA11 0JS
25 minutes away

Rookin House Equestrian & Activity Centre

Rookin House is an established adventure venue, offering a wide variety of outdoor activities for over 20 years. There are many activities to choose from including, go karting, rafting, indoor archery and air rifle.

16 minutes away

Grasmere & Rydal

The natural beauty of Grasmere and Rydal inspired the Lake Poets. The Wordsworths lived first at Dove Cottage from 1799 to 1808, once a pub and now a museum. The proprietor is a direct descendant of the family and in springtime Dora's field at the bottom of the churchyard comes alive with daffodils. Grasmere village boasts numerous tea rooms, inns and restaurants; be sure to visit The Grasmere Gingerbread Shop. From here, take an enjoyable walk to Fairfield, Hart Crag or Loughrigg Fell.

 LA22 9SL
37 minutes away

Windermere & Bowness

Windermere is the perfect lakeland destination all year round. With the shores of the lake so close, you are never short of fantastic scenery or leisure activities. Bowness on Windermere is one of the most popular holiday locations in the Lake District. With immediate access to the waters of Windermere, it is an excellent base for water activities, including boat hire or family watersports.

 LA23 3HJ
58 minutes away

Ravenglass & Eskdale

Ravenglass is a coastal hamlet within the Lake District National Park and lies on the estuary of three rivers - the Esk, the Mite and the Irt. Ravenglass became an important naval base for the Romans in the 2nd century, Glannaventa, though little remains of this now. Once iron ore, granite and copper ore were brought to the estuary by a narrow gauge railway from mines near Boot. This line has been preserved and is now a major tourist attraction.

Coniston

Coniston is a good centre for walkers and climbers, and those wanting to investigate the Tilberthwaite Slate quarries. Rising dramatically behind the houses is the The Old Man of Coniston which provides a beautiful backdrop to the village. There are two public launch services on Coniston Water: the Coniston Launch, and the National Trust's Steam Yacht Gondola. Both of these call at Brantwood.

 LA21 8DU
77 minutes away

Carlisle

Cumbria's capital - gateway to Hadrian's Wall country - has a rich and rollicking history. Visit the Kings Own Royal Border Regiment Museum within the castle grounds and experience the dark passages, chambers and dungeons where Mary Queen of Scots was briefly imprisoned. No visit to the city would be complete without a meander through The Lanes Shopping Centre and covered Victorian market or perhaps even a flutter at Carlisle Racecourse.

 CA3 8NR
30 minutes away

St Bees

The village of St Bees is on the western coast of Cumbria, at the end of a long valley and four miles south of Whitehaven. It has a long sandy beach and is a popular holiday resort. Nearby, the rocky promontory of St Bees Head, the westernmost point of Cumbria, is the start of the 'Coast to Coast walk'. St Bees Head, a red sandstone bluff, forms one of the most dramatic natural features along the entire coast of North West England.

 CA27 0AA
65 minutes away

Greystoke

Greystoke village of Tarzan fame lies four miles to the south of the retreat and is surrounded by pretty countryside. Just take a right turn out of the retreat, right at the crossroads, along the forest road through Johnby and bear right at the Cycle Café. There is a grocery store and post office in the village centre plus a popular outdoor swimming pool open during the spring and summer months. Across the green is the Boot & Shoe Inn and rather grand entrance to Greystoke Castle.

 CA110TP
9 minutes away

Borrowdale & Buttermere

Scale a subterranean cavern and take a tour deep inside Honister, or for the less faint hearted discover the Kimberley Mine. Beyond lies Crummock Water and Loweswater, once forming a single body of water with Buttermere. Scale the three high peaks of Great Gable, Scafell and Scafell Pike - England's highest mountain at 978m/3,210ft - and discover the delicately-poised 2,000 tonne Bowder Stone.

 CA12 5UN
32 minutes away

Keswick & Derwentwater

Keswick is an attractive Victorian town of grey slate ringed by fells and mountains and is the main centre for the Northern Lakes. The interactive Cumberland Pencil Museum houses the world's largest pencil, while illusions at The Puzzling Place provide further family fun. Stroll through Hope Park with its pleasant gardens, crazy golf and miniature motor boats before arriving at the aptly-named Theatre by the Lake. Take a boat trip on picturesque Derwentwater, with thick woodland on its shores edge and interrupted only by five islands. To the north east, experience the Neolithic wonder of the Castlerigg Stone Circle.
