We know - nobody wants their holiday to end! However, when the time does come to leave us at Wareham Forest, we respectfully ask that you leave your holiday home as you found it, so that other visitors can enjoy the same cosy comforts that you have. **We politely ask our lovely visitors to leave their accommodation by 10am on their day of departure**, as this allows us to get everything spick and span for our next guests. Thank you for your understanding in this matter (it really helps us out!).

When you leave your holiday home, please return your keys to reception. There's a key drop-box available outside the main reception if you're leaving outside of hours. We'll look forward to having you back again soon!

pets

We love welcoming your four-legged friends to our resorts! However, when outside the holiday home, please ensure that your dogs are kept on leads at all times. Please help us to keep communal areas as clean and tidy as possible and use the dog bins provided in the bin areas to dispose of dog waste. rubbish disposal

We love our planet, and we know you do too. That's why our resort operates a recycling system, to make sure we can keep our resorts clean and green.

You'll find a general waste bin in your accommodation, and your nearest bin bay for recycling can be located on your retreat map. If there are no bins in your nearest bay, please bear with us - they're probably being emptied, so please use another one. Glass bins can be used for all types of glass bottles and jars (please remove lids before you pop them in). Cardboard, paper, plastic, tin cans and aluminium trays can be disposed of in the mixed recycling (please be careful to not put black bin bags or any other plastic bags in the mixed recycling).

Any other waste that you might have can be disposed of in the general waste bin. **Thank you for working with us to keep our world happy and healthy!**

You must fully extinguish disposable BBQs and allow to cool before discarding. BBQs must not be placed in the refuse bins but stored within the bin bay area.

hot tub safety

etiquette

our guide to hot tub safety

In our Premier accommodation we are delighted to provide our guests with hot tubs for that ultimate holiday feeling. We ask that all guests follow the instructions and guidance in place for your safety.

Please ensure to read these carefully before using the hot tub and if you have any questions please contact a member of our friendly team!

Please note, Darwin Escapes will not be responsible for any injury or issues resulting from misuse or not following these instructions.

do not sit or stand on the hot tub lid!

hot tub lid

1 Ensure two people lift up the lid using the handles provided. Lifting from one side can lead to lid damage.

2 Fold one side onto the other - like closing a book, then fold both sections together and to the side. Do not fold the lid over the balustrade rail, this may blow or fall shut.

3 Some tubs require the lids to be secured, please use any balustrade straps or chains provided. Remember to release these prior to closing.

Raised lids (even when secured) are vulnerable to damage in strong winds which may lead to injury. Guests are advised to use with caution and close and clip down where conditions dictate.

If you have any questions or require assistance then please speak to a member of the team or reception.

hot tub safety

- Do not use the hot tub if you are pregnant or have a medical condition (High blood pressure, heart condition, diabetes etc) or serious illness which may affect your reaction to heat. Check with your doctor first.
- Children under the age of 8 cannot use the hot tub. Young children struggle to regulate their core temperature and become dehydrated more quickly.
- Children aged 8-16 must be supervised and accompanied by an adult.
- Do not use the hot tub if you feel unwell or are sensitive to chlorine or bromine.
- Keep your usage to 15 minutes at a time and take a break between sessions.
- Do not use after a large meal within the previous hour or after the consumption of alcohol.
- The following are strictly prohibited in or around the hot tub: Glass containers, electrical appliances, smoking, consumption of food and drink, use after 9am on the day of check out.
- Keep your head above water – chlorine or bromine can irritate eyes and sensitive skin.
- We do not recommend using the hot tub if you are on your own.

using the hot tub

- Please act sensibly and be courteous to other guests around you. Do not use the hot tub after 11pm.
- Remove any jewellery as the chemicals can damage metals and precious stones.
- Do not attempt to change any settings or the temperature (with the exception of use/selection of jets). – if you need assistance please ask a member of the team.
- Do not use after 9am on the day of your check-out as we will need to drain, replace and treat the water for the next guests.
- Keep to the hot tub capacity i.e. the number of seats.

water quality

- For your safety, we will carry out short tests on your hot tub each day of your stay – to complete these, the team will need to briefly gain access to your hot tub.
- Please shower prior to use and do not add oils, bubble bath or any other products. Residual or added products affect water conditions and impact the effectiveness of the disinfectant agent.
- Chlorine or bromine dispenses in to the hot tub from either a floating 'mushroom' or built in dispenser. Please do not interfere with or open these dispensers and, in the case of the mushroom, please do not move it from where you find it.
- Thank you for your cooperation with these testing and treatment measures, in place for your safety and comfort.

a closer look at the **country code**

Many of our resorts are set in the heart of local countryside, including woodland and farming land, which can have farm animals kept in pastures.

Please follow the country code, and help us keep our nation's countryside running smoothly.

1 Please be mindful and respect the needs of local people and visitors alike - for example, **don't block gateways, driveways or other paths with your vehicle.**

2 When riding a bike or driving a vehicle, **please slow down or even stop for horses, walkers and farm animals** and give them plenty of room. By law, cyclists must give way to walkers and horse-riders on bridleways, so please keep this in mind when you're out cycling!

3 Please cooperate with people at work in the countryside. For example, keep out of the way when farm animals are being gathered or moved and follow directions from the farmer.

4 A farmer will normally close gates to keep farm animals in but may sometimes leave them open so the animals can reach food and water. The most important thing to remember is to leave gates as you find them or follow instructions on signs. When in a group, make sure the last person knows how to leave the gates.

Ticks love to live in the countryside too, please check your four legged friends and yourself after your ramble for any unwanted hitch-hikers.

5 Please follow paths unless wider access is available, such as on open country or registered common land (known as 'open access land'). It might sound obvious, but please ensure that you leave machinery and farm animals alone - don't interfere with animals even if you think they're in distress. Try to alert the farmer instead.

6 When strolling through our beautiful countryside, please use stiles or gaps in field boundaries if you can - climbing over walls, hedges and fences can damage them and increase the risk of farm animals escaping.

7 We all have a responsibility to protect the countryside now and for future generations, so make sure you don't harm animals, birds, plants or trees and try to **leave no trace of your visit**. If you're out exploring with a dog, please make sure it is not a danger or nuisance to farm animals, horses, wildlife or other people.

8 Protecting the natural environment means taking special care not to damage, destroy or remove features such as flowers, rocks, plants and trees. They provide homes and food for wildlife, and add to everybody's enjoyment of the countryside.

9 Litter and leftover food doesn't just spoil the beauty of the countryside, it can be dangerous to wildlife and farm animals - so **please always take your litter home with you**. Dropping litter and dumping rubbish are criminal offences.

10 **Fires can be as devastating to wildlife and habitats** as they are to people and property - so be careful with naked flames and cigarettes at any time of the year and never leave anything of that nature behind when you leave.

11 We know that you **love** your dog - but local wildlife might not! When you take your dog into the outdoors, always ensure it does not disturb wildlife, farm animals, horses or other people. Please keep your furry friend under effective control: **keep your dog on a lead, or keep it in sight at all times**, be aware of what it's doing and be confident it will return to you promptly on command. Please ensure it does not stray off the path or into an area where you do not have a right of access.

Enjoy the countryside and **love your escape**
