OUR COURSE

Set in 120 acres of Yorkshire Wolds countryside, you'll struggle to find a more peaceful setting for a day out on the course than Kilnwick Percy Golf Club.

Our 6193-yard par 70 parkland course offers something for every golfer. The wide and forgiving fairways give you plenty of confidence off the tee, but it's a course you will still need to think your way around due to the very cleverly placed hazards.

When you get on the first tee, you'll get a good feel for what lies ahead. Whilst it looks quite simple and open, the reality is that the bunkers and hazards are all placed in key areas... meaning you really have to think your way around to put in a score.

You will definitely be tested, regardless of your level, especially when you reach the par 5, 4th hole... all 612 yards of it.

MEMBERSHIP

We are incredibly proud of our golf course, and how much it has improved over the last two years.

We have invested significantly into the golf course, and in particular, on our drainage programme both on the fairways and on our greens. This investment will continue throughout 2022 as we strive to improve our golf course every year for our members to enjoy.

In addition to our golf course, we also have our wonderful Glasshouse restaurant, which is a fantastic place to relax and enjoy some food and a drink after golf with your friends and family. We also have our stunning lodge accommodation, Tranquility Spa and our gym, 'The Box'. These facilities give our members the opportunity to enjoy some time away from golf if they wish.

Our club membership is thriving across all categories and all age groups. With a busy calendar of social, fun and competition events, we will always try to help you find a way to make membership work for you.

Our aim is simple; to help make golf inclusive and to encourage more people to enjoy our wonderful sport.
